

Volunteer Role Description **And Person Specification**

The Hull Drug Intervention Programme (DIP) provides support for adults with substance misuse problems and who have had recent involvement in the criminal justice system. Support is offered on a voluntary basis, alongside support that complies with national standards or bail conditions. The Hull DIP offers individuals support on a one to one basis. This would be in the form of assessment, onward referrals, harm minimisation advice, psycho-social interventions, motivational work and practical support.
